INDUSTRIAL ENCLOSURE CORPORATION

STANDARD FREIGHT TERMS

Unless otherwise stated on the quote all freight charges are Prepaid and Add; Industrial Enclosure will initially pay the freight charges and add to the customer invoice.

If the shipment is to be set up as Freight Collect the freight carrier will invoice directly to the consignee.

Freight is allowed on shipments over \$2000.00. IEC will determine the carrier for all shipments where freight is allowed.

Freight will be FOB Origin – Industrial Enclosure owns the goods while they are in transit. Signature on the Delivery Receipt takes over all further responsibility and ownership of the product.

Accessorial Charges, such as lift gate, residential delivery, limited access delivery, A.M. delivery, and inside delivery, will be the responsibility of the consignee (will be billed directly by Carrier or Industrial Enclosure will initially pay the charges and add to the invoice).

*By specific agreement, certain shipments may be Freight Allowed (Industrial Enclosure will pay the freight charges).
